PONDEROSA PTA AWARDED \$15,000 LET'S PLAY CONSTRUCTION GRANT FROM DR PEPPER SNAPPLE AND NATIONAL NON-PROFIT KaBOOM!

BILLINGS, MT December 4, 2014 – Dr Pepper Snapple (DPS) and national non-profit KaBOOM! awarded the Ponderosa PTA a \$15,000 Let's Play Community Construction Grant that will be used to purchase, install and build an outdoor classroom at Ponderosa Elementary School.

The grant is part of Let's Play, a community partnership led by Dr Pepper Snapple to get kids and families active nationwide. Unstructured, child-directed play has proven to help kids develop physically, emotionally, socially and intellectually, yet today's kids have less time and fewer opportunities to play than any previous generation. As a result of expanded Let's Play grants and projects, more than 1 million kids will benefit from new or improved playgrounds around the nation between 2014 and 2016.

"The Ponderosa PTA is thrilled to be a recipient of the Let's Play Grant" said Tiva Townsend, Ponderosa PTA president. "We are stunned and grateful to have the support of such nationally renowned and respected organizations like Dr. Pepper Snapple and KaBOOM."

The Ponderosa PTA will use the \$15,000.00 Let's Play Grant to help purchase an outdoor classroom manufactured by PlayWorld Systems. The outdoor classroom is a playground grade quality stand alone structure that will be utilized by Ponderosa students and teachers for decades

to come. The Ponderosa PTA has worked tirelessly to raise the money needed to bring this project to fruition. The community has already supported this project at a silent auction held in February 2014. The Ponderosa PTA will host a Finish Line silent auction on March 28, 2015, and will again look to the community for support.

The Ponderosa PTA Outdoor Classroom Project will put a 23,000 pound poly-fiber crete classroom designed to look like giant logs and boulders on Ponderosa's school grounds. The structure will provide Ponderosa students with an amazing area for learning and play for many decades to come.

Created in 2011, Let's Play provides the tools, places and inspiration to make play a daily priority. The initiative began with a three-year commitment to KaBOOM!, the national non-profit dedicated to ensuring that all kids get the joyful childhood filled with play they need to thrive. Through the first three years, they built 41 playgrounds, with more than 2,300 DPS employees contributing nearly 19,000 volunteer hours in the construction, and provided grants ranging from \$500 to \$30,000 for the improvement of another 2,004 playgrounds by the end of 2013.
